Community College

On Thursday December 21<sup>st</sup> join us at Roxbury Community College and support to our DCE Bargaining Team and listen to our team present job security proposals.

Management's bargaining team has offered 0% for 2018, and 1% for 2019, citing the Governor's financial parameters. Management says they hope the revenue picture will get better, and offer to bargain for pay parity in the next contract. Our bargaining team rejects this false austerity, because we know that our colleges make money from the revenue generated by the DCE courses we teach.

Management has even referred to DCE as a "cash cow".
