

DCE Tuition Waiver

The DCE collective bargaining agreement now contains a tuition waiver provision. Tuition is waived at the community college to eligible unit members where one is employed. There is a 50% discount on general fees. Course specific fees still apply.

- The waiver applies to no more than 4 credits per semester.
- Admission standards apply.
- One must register two weeks before the start of the semester and is contingent on space available in the class.

Eligibility:

- The DCE unit member has reappointment rights and has been at the college for six years.
- The person taking the course is the unit member, spouse, or dependent child under 25.
