**I. Response Rates**

When there is a contested election for Part-Time/DCE At-Large Director, only those members who are Part-Time/DCE members without a Full-Time/Day position may vote for that position. However, since this year the position was deemed elected, there was no distinction between Part-Time/DCE ballots, and Full-Time/Day ballots, so only the total numbers are reported below.

\* There is an exact tie between the two candidates for Secretary. The MCCC ByLaws do not outline a procedure for this situation, and this sets a new precedent in the history of the MCCC so we have no historical precedent to follow. The Nominations and Elections Committee is consulting with the MCCC Parliamentarian on our next steps to resolve this tie. \*
