

MEMORANDUM

TO: DCE Unit Adjunct Faculty
CC: Dean: Brian Kapitulik
Assistant Deans: Dawn Josefski, Melanie Zamojski
GCCPA President: Trevor Kearns
Human Resources Director: Eric Sumner
FROM: Chet Jordan, Interim Vice President of Academic Affairs
DATE: **August 3, 2022**
SUBJECT: **Adjunct Faculty Seniority for 2022-2023**

In accordance with Article 10.07 (attached) of the collective bargaining agreement for the Division of Continuing Education and the COVID-19-Related agreements between the MCCC and the BHE at <https://mccc-union.org/2020/08/12/covid-19-information-and-related-agreement/>, listed on the following pages are the names of DCE unit members eligible for appointment to teach credit courses*, along with their years of DCE seniority at Greenfield Community College by discipline area, effective for fall 2022.

Per Article 10.02 (attached), a unit member meets the threshold to be included on the DCE seniority list once they have "...taught at least five (5) courses over three (3) consecutive fiscal years in the Division of Continuing Education at the College who has received a satisfactory evaluation in a work area(s)..." Then, once this threshold is met, per Article 10.04 (attached), "for every fiscal year in which the unit member teaches or has taught at least two (2) courses, one (1) year of service shall accrue for purposes of seniority. If the two courses are in different work areas, one year of service shall accrue in each work area." See Article 10, attached, for additional DCE seniority and appointment information.

If you have any questions, please contact me.

* Adjunct faculty listed here will receive a teaching availability form electronically according to Article 8.02 of the DCE Collective Bargaining Agreement. **Adjunct faculty must maintain their GCC email account in order to receive notification** that their Teaching Availability form as well as tentative assignment(s) and appointment letter(s) (contracts) are ready for their review in MyGCC.

ARTICLE X – Appointment

(The full DCE Collective Bargaining Agreement can be found at www.mccc-union.org/dce-contract-forms/)

- 10.01 Unit members shall be given a contract stating the courses, subject areas, and salary to which the unit member has been assigned.
- 10.02 A unit member who has taught at least five (5) courses over three (3) consecutive fiscal years in the Division of Continuing Education at the College who has received a satisfactory evaluation in a work area(s) shall be eligible for a reappointment in that work area(s).
The fiscal year shall be that defined by the Division of Continuing Education at the College and any course spanning two fiscal years shall be attributed to the fiscal year in which the course begins.
Prior to making tentative appointments, the College shall provide to eligible employees as defined above a course interest and teaching availability form (attachment DCE-A). It is assumed that faculty who do not complete and submit the teaching availability form (DCE-A) are not interested in teaching a course that semester.
- 10.03 A tentative appointment for one course will be offered first to those eligible unit members as defined above with the longest service in the Division of Continuing Education at the college in that work area, except under the following conditions:
- A. the unit member receives an unsatisfactory evaluation;
 - B. if there are insufficient courses available within the work area of the unit member;
 - C. if, in the professional judgment of the President, or designee thereof, reasons exist which preclude such reappointment, the President, or designee thereof, shall provide the unit member with a written statement of the reason or reasons for the non-reappointment. The reasons for non-reappointment shall not be arbitrary or capricious.
- 10.04 For every fiscal year in which the unit member teaches or has taught at least two (2) courses, one (1) year of service shall accrue for purposes of seniority. If the two courses are in different work areas, one year of service shall accrue in each work area. Any outside entity course for which a faculty member is compensated in excess of the salary schedule shall not count towards accruing seniority.
- 10.05 Any faculty member who does not teach at least one (1) course during a fiscal year will not be eligible for unit inclusion during that year. If a faculty member does not teach at least one (1) course during two consecutive fiscal years, the faculty member will lose previously accrued seniority unless on authorized leave approved by the President of the College, or designee thereof.
- A. DCE leave may be authorized for up to two consecutive years.
 - B. The President of the College or the President's designee must authorize such DCE leave in writing and shall provide that document to the unit member, local Chapter President and to the MCCC President. This proposal may be sent electronically.
- When determining seniority earned prior to this agreement pursuant to the provisions of 10.04 above, any period of two years or more during which the faculty member taught no course will constitute a break in service and no service prior to said break will accrue to a unit member's seniority.
- 10.06 If a faculty member is offered and accepts a course which is subsequently cancelled, there will be no break in previously accrued seniority or credit towards eligibility for reappointment.
- 10.07 By August 15 of each year, the MCCC/MTA shall be provided with the official list of eligible faculty members, including seniority by work area(s), based upon information available at the College for the five years preceding the fiscal year in which seniority is considered for appointment under this article. When the initial list is published, faculty members shall have thirty days to challenge their relative placement on the list and, upon providing documentation acceptable to the College, the list shall be adjusted appropriately.
- 10.08 As a condition of employment, unit members will be required to have a resume on file. Prior to initial appointment, unit members shall provide a current transcript(s) and resume to the College. The College will periodically review the status of each unit member's transcript(s) and resume, and may require the unit member to provide updated transcript(s) and resume. The College will pay the cost associated with the unit member's procurement of an updated transcript(s) if such transcript(s) are not already on file with the College. If a unit member's transcript is unavailable for reasons beyond the control of the unit member, the unit member, the Association and the College will meet to discuss what alternatives, if any, to the transcript are available.
- 10.09 Courses that are offered through a contract with an entity outside the College shall not be subject to this article. Whenever a course or courses is or are available to be taught by a unit member through an outside entity, the College shall provide a list of courses with the expected salary range, title of the course and the sponsoring outside entity to the local chapter president or designee at the College, and post a notice on the designated bulletin board(s) for DCE unit members. In cases where the College receives notice of less than ten (10) days, the posting requirement may be waived. All unit members may indicate their interest to the Dean of DCE or designee in teaching one or more of these courses.
- 10.10 At the end of every session, each College shall forward to the Association President, or designee thereof, a list of all outside entity courses as defined in Article I, including those credit courses not taught by unit members. The list shall include the names of the faculty, the titles of the courses, names of the sponsoring outside entity, salary and credit for each course offered.

Greenfield Community College
Adjunct Faculty Seniority for 2022-2023 (continued)

- 10.11 The provisions of paragraphs 10.02 through and including 10.07 shall not apply to unit members teaching one student in a directed/independent study.
- 10.12 Tentative assignments will not be based on a willingness to teach the course under enrolled.
- 10.13 If a faculty member eligible for reappointment under Article 10.02 has taught more than one course in the fall and spring semester for a minimum of five (5) consecutive years at a Community College, he or she may anticipate continuing to receive a tentative appointment and assignment of a second course for the next semester at that College, subject to the needs of the College; provided that if the College seeks, for reasons other than low enrollment to appoint or assign only one course to such faculty member, the College shall provide advance notice as may be practical; provided further that any determination to assign only one course shall remain within the College's sole discretion and shall not be subject to the grievance process.
- 10.14 The parties agree that no employee who hires and/or fires and/or conducts classroom evaluation(s) and/or completes comprehensive evaluation(s) during any continuing education session shall be eligible to teach a course in the Division of Continuing Education during that session unless all eligible faculty, as determined by Articles 10.02 and 10.03 in the work area shall have been offered the opportunity to teach. For purposes of this provision only, "opportunity to teach" means being offered a course which the College has determined will run. Tentative appointments offered to such employees shall be made by an administrator other than such employee.

Item 3) Seniority (From the MEMORANDUM OF AGREEMENT Between the Massachusetts Community College Council – DCE Unit and the Massachusetts Board of Higher Education/MA Community Colleges for Summer 2020 sessions.
